Dear

I am writing on behalf of:

Contractor Agency Name

To request that contract funds in the amount of

Transfer Amount

be temporarily transferred to

Contract Number

For this fiscal year from another contractor in good standing by mutual, voluntary agreement. I anticipate that our program will be able to fully earn this augmentation by serving children in our existing licensed spaces.

Both contracting Agencies agree:

- This transfer of contract funds is voluntary and temporary.
- Subsequent fiscal year contracts will revert to their original MRA amounts, at the beginning of the subsequent fiscal year, with any applicable Cost of Living Adjustment (COLA) or other adjustments applied, subject to continued funding appropriated in the annual Budget Act.
- CDE may require fiscal information and documentation to make a final determination regarding this request.
- The Contract Reimbursement Rate in place for each agency will not change during the fiscal year.
- All contracts may be subject to the Early Education and Nutrition Fiscal Services annual contract review process.
- All parties understand these funds may never be placed in a reserve fund; they must be used to pay for child days of enrollment.
- All transferred funds must be fully expended by June 30 of the fiscal year.
