

Instructions for Completing the Homeless Certification Form

These instructions are to be used by homeless youths who are under 25 years of age and can verify their status to obtain a fee waiver for a High School Equivalency Test and/or the California High School Proficiency Examination (CHSPE).

The current high school equivalency tests approved by the California State Board of Education are the GED test and the HiSET. The CHSPE is administered by the Sacramento County Office of Education.

How to Obtain a Fee Waiver

To obtain a fee waiver, each eligible test taker must:

1. Complete and sign Section I of this form.
2. Have an authorized homeless services provider complete and sign Section II of this form to verify the homeless status of the test taker.

3. Submit the original completed form to the test vendor along with his or her test registration materials. (The homeless test taker must submit an original completed Homeless Certification Form to each testing contractor to which he or she registers. Copies of the form will not be accepted.)

Note:

- The form is valid for one year and may be renewed annually until the eligible homeless child or youth reaches 25 years of age.
- The fee waiver applies only to the regular test registration fee.

Homeless Services Provider

The necessary form, “Homeless Certification Form,” can be obtained only from an authorized homeless services provider who has knowledge of the homeless status of a youth. The homeless services provider must verify that status by completing Section II of the Homeless Certification Form.

The information regarding who is qualified to serve as an approved homeless services provider is shown in the boxes at the end of Section II of the form. **The individual completing Section II must check the box that indicates how he or she is qualified as an approved homeless services provider.**
