

CALIFORNIA DEPARTMENT OF EDUCATION
SCHOOL FACILITIES PLANNING DIVISION

SFPD 4.18R (Created 03/24)

SCHOOL SITE APPROVAL RENEWAL APPLICATION

County:

Project Tracking Number:

Local Educational Agency (LEA):

School Site - Original Name:

School Site - New Name (Or Also Known As):

Location (Address or Cross Streets):

Proposed Grade Level:

Date Purchased or Acquired by the LEA:

Date of last California of Education (CDE) site approval or renewal for this site:

By the signature below, the LEA certifies:

1. The above-mentioned site has been in the LEA's possession or under its control since the last CDE site approval letter was issued.
2. The usable acreage has not changed and the land has not been altered since prior CDE approval.
3. The LEA, or authorized users of the site, have been good stewards (upkeep) of the land and certify that no applied or spilled hazardous materials or the construction of anything upon the site or adjacent would result in hazardous conditions that will need to be cleaned-up, remediated, or restored.
4. The LEA did not lease the land to anyone since the prior site approval that would have affected the future use of the site as a school site.
5. A physical (and/or database) reconnaissance of the site has recently been conducted by the LEA or its consultants to confirm the above current conditions.
6. All previously submitted site approval documents and their conclusions are still valid, and conditions have not significantly changed that would affect the site approval, with the following noted exceptions (if any) for which updated information has been submitted:

7. The LEA has submitted an updated SFPD 4.03 School Site Certification with this application
