

Title IV, Part A Equipment and Capital Expenditures Request

The federal requirements found in the Office of Management and Budget (OMB) guidance cited at Title 2, *Code of Federal Regulations (CFR)*, Part 200.313 (Cost Principles for Equipment and other capital expenditures) require a grantee or subgrantee to obtain prior written approval from its awarding agency before incurring the cost of a capital expenditure. The local educational agency (LEA) will need prior approval to make a capital expenditure purchase with Title IV, Part A funds of \$5,000 or more.

The submission of this request provides assurance that the authorized use of funds criteria, found at <https://www.cde.ca.gov/sp/st/>, has been met. If this request is approved, approval does not preclude possible Federal Program Monitoring (FPM) findings if the use of funds or any other criteria of Title IV, Part A funds are found out of compliance.

By submitting this form, you have reviewed and will follow all local level policies when making a purchase using federal funds. Please include a quote of the item to be purchased and email this document to the Title IV, Part A Team at TitleIV@cde.ca.gov.
