

Getting to Know the California School Dashboard

The California School Dashboard (Dashboard) is an online tool designed to help communities across the state access important information about transitional kindergarten through grade twelve schools and districts. The Dashboard features easy-to-read reports on multiple measures of school success.

The Dashboard represents one of many steps taken over the past decade that have raised the bar for student learning, increased the focus on equity, and expanded the review of performance data to a specific set of state and local measures. Twelve Measures of School Success

State Measures

Seven state measures allow for comparisons across schools and districts.

- **Academic Indicators (Academic—English Language Arts, Academic—Mathematics)**
- **Chronic Absenteeism Indicator**
- **College/Career Indicator**
- **English Learner Progress Indicator**
- **Graduation Rate Indicator**
- **Science Indicator**
- **Suspension Rate Indicator**

Results are presented for all districts, schools, and defined student groups (e.g., racial/ethnic groups, socioeconomically disadvantaged, English learners, long-term English learners, homeless, foster youth, and students with disabilities).

For the 2024 Dashboard, schools and districts receive one of five Performance Levels for each eligible state measure. The Performance Levels are determined using current year and prior year data and are represented by a color ranging from Red to Blue.

Local Measures

Five local measures are based on information collected by districts, county offices of education, and charter schools.

 - Teacher assignments, safe and clean buildings, instructional materials for all students
- **Implementation of Academic Standards**
- **School Climate Surveys**
 - Student safety, connection to the school
- **Parent Involvement and Family Engagement**
- **Access to Courses**

Districts receive one of **three** ratings for each of the local measures:

- **Met**
- **Not Met**
- **Not Met For Two or More Years**

School and student group information is not available for local measures.
