RE: Annual Academic Performance Report for Island Union Elementary School District

Dear State Board of Education,

The Kings County Office of Education (KCOE) submits the attached annual academic performance report as part of the oversight agreement between the California State Board of Education and the KCOE. This report was prepared by Loretta Black, Superintendent/Principal of Island Union Elementary School District (IUESD), and reviewed by KCOE staff.

County Office Oversight

The County Office of Education charter team conducted an oversight visit to IUESD on Wednesday, December 11, 2024.

Our office did not issue any notices or letters of concern.

The Island Union Elementary Charter School District is dedicated to providing a well-rounded education for all students. Guided by its charter and the Local Control Accountability Plan (LCAP), the district has strategically implemented initiatives to ensure the highest quality learning experiences. Strong community engagement plays a vital role in this success, with surveys indicating that students, staff, and parents view the school as a welcoming and supportive environment.

The Kings County Office of Education appreciates the ongoing opportunity to provide oversight to IUESD in service to Kings County students and families.

Respectfully submitted,

Joy Santos
Assistant Superintendent, Educational Services
Kings County Office of Education
